# Teacher sheet

Here you will find practical ideas to do with the dice game.

		
<p>Provide various coloring sheets with different themes or characters for kids to color.</p>	<p>Give children play-dough to create different shapes, animals, or objects of their choice.</p>	<p>Offer age-appropriate puzzles for kids to solve, such as jigsaw puzzles or brain teasers.</p>
		
<p>Teach kids how to fold and fly paper airplanes, and hold a contest for the longest flight.</p>	<p>Provide templates and materials for kids to create and decorate their own paper masks.</p>	<p>Provide dot-to-dot worksheets where children can connect the dots to reveal a picture.</p>
